

Dear Ana Lucía Méndez-Cartín,

Thank you for submitting your abstract to BES2024. I am pleased to confirm that your submission entitled Post-fire regeneration of a non-serotinous Mediterranean pine: influence of fire refugia has been accepted as an **ORAL** presentation under the topic Ecosystem and Functional Ecology.

This email contains information about the next steps you need to take, so please read it carefully.

If you know you can no longer attend the meeting, please let us know as soon as possible, so we can give another delegate the opportunity to present their research.

You will be informed of the date and time of your presentation in mid-November. We are unable to cater for specific date and time requests so please ensure you are available from 11-13 December.

NEXT STEPS

You MUST now register for the Annual Meeting by the early bird deadline at 17:00 (GMT), Thursday 31 October to be included in the programme. Your abstract will be withdrawn if you do not book by this time. We will not be able to extend this deadline. Please ensure you book an **in-person** ticket.

It is important that, when you register, you use the same name and email address you used to submit your abstract. If these don't match with your registration, you may be unintentionally withdrawn.

Added Extras

When you're booking your ticket, remember you can also book for some of our fantastic extras including:

- **National Environment Monitoring Conference – 10 December | 10:00 - 17:30**

This [one-day conference](#), taking place the day before the BES Annual Meeting, will bring together those who either deliver, use or could benefit from information provided from a wide range of national monitoring activities across the four nations. Organised with UKCEH and UKEOF.

- **OR Pre-conference Workshops – 10 December | 14:00 - 18:00**

Join us for one of [four pre-conference workshops](#). These 4-hour workshops offer a chance to build on practical skills and to develop your knowledge in a specific area.

- **Annual Meeting Party - 12 December | 20:30 – late!**

Get your ticket to come along to this year's Annual Meeting Party and try your hand at bowling, pool and shuffleboard or simply dance the night away at [Pins Social Club](#). There are also plenty of spaces for a quieter drink and a chance to catch up with people. The price includes a couple of drinks vouchers and access to all the games.

Our Annual Meeting has grown into Europe's largest and most influential conference dedicated to ecology. We work hard to ensure the cost to delegates is accessible and competitive with other similar conferences around the world.

We are proud to include within the in-person delegate registration fees:

- Access to four plenary lectures by internationally renowned speakers
- Access to parallel sessions covering a diverse range of topics each day
- Lunchtime workshops on Day 1 and Day 2
- Access to an online app, with option to view thematic sessions and plenary sessions on demand
- Lunch and tea and coffee breaks on all 3 days
- Welcome mixer with complimentary drinks
- Two poster sessions, each with complimentary drinks
- Access to a variety of other social events throughout the conference with refreshments provided, including the opportunity to engage with our Special Interest Groups (SIGs)
- Access to a wide range of global exhibitors
- The opportunity to shape the BES via the Annual General Meeting (AGM)

Your registration also includes access to the BES2024 conference app where in-person and virtual attendees come together. Using the virtual hub, you can:

- Schedule individual and group virtual meetings with both virtual and in-person attendees
- Direct message both virtual and in-person attendees
- View the full agenda and add key sessions to your schedule
- View on-demand presentations with Q&A
- View online poster presentations
- Access the thematic and plenary sessions which are live-streamed, recorded and available to view until March 2025

As an in-person delegate, you can add the following to your booking:

- one of four pre-paid pre-conference workshops in the afternoon of 10 December or
- a delegate ticket for the National Environmental Monitoring Conference on 10 December
- Annual Meeting party ticket

You can add these to your booking on the second page of the registration form under "Additional Activities".
