

Dear Olivia Rose Cason,

Thank you for submitting your abstract to the ESP Europe 2026 Conference! We have received over 750 abstracts from all over the world.

We are happy to inform you that your abstract titled [Co-designing Socio-ecological Resilience: An Integrative and Multi-valuation Landscape Approach for Mediterranean Biosphere Reserves](#) has been accepted for a presentation in the session:

X5 - Restoration potential of coastal wetlands in Europe for climate change mitigation and co-benefits

We will communicate the exact day and time of your session as soon as the session schedule has been finalised. The session hosts will also get in touch with you to share more information about the session format and presentation time.

Please note that registration is mandatory to present your abstract. We therefore kindly advise you to [register online](#) as soon as possible to take advantage of the Early Bird rate, which is available until 15 March, 18:00 CET. Please note that [ESP membership](#) gives you an exclusive discount on the conference fee.

For full details on conference venues and travel information, please visit the [conference website](#). Please make sure to reserve your [accommodation](#) and make your travel arrangements timely.

Further information on the conference programme and keynote speakers will be made available soon on the [conference website](#).

Please let us know if you have any questions.

Kind regards,
Diane Ingabire
On behalf of the Conference Organising Committee
