Coordinator Project DecisionES

Letter of invitation to Mar Pallarés Pascual

Dear Dr. Jordi García Gonzalo,

I am pleased to extend the present letter of invitation to Mar Pallarés Pascual, from the Centre de Ciència i Tecnologia Forestal de Catalunya (CTFC) as visiting researcher at the Forest and Biodiversity in Productive Landscapes Research Unit, at CATIE (Tropical Agricultural Research and Higher Education Center), Turrialba, Cartago, Costa Rica. Mar Pallarés Pascual is schedule to visit our center during the period between January 8th 2024 and February 23th 2024. This collaboration has been discussed in the framework of the project DecisionES: Decision Support for the Supply of Ecosystem Services under Global Change.

She will be particularly collaborating with Ph.D. Alejandra Martínez-Salinas in the areas of conservation, forest management and monitoring, community and landscape ecology and related topics.

We are excited about this opportunity and the possibilities to develop stronger research collaborations between our organizations.

Yours sincerely,

Alejandra Martinez-Salinas, Ph.D.
Leader, Forests and Biodiversity in Productive Landscapes Research Unit
Director, Ecology in Natural Forest Management Latin American Chair
